Saffron Walden Parochial Church Council Annual Report

For the year ended 31 December 2018

Report of the trustees for the year ended 31 December 2018

The trustees present their annual report and financial statements of the charity for the year ended 31 December 2018. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16 July 2014, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and the Charities Act 2011.

The financial statements have been prepared to give a "true and fair" view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a "true and fair view". This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Objectives and activities for the public benefit

St Mary's in Saffron Walden is the town centre church which as well as being used for regular worship throughout the week is used for civic and other special services and concerts. The PCC is committed to bringing as many people as possible to worship at our church and to become part of our church community at St Mary's. The church has many groups and activities. Our worship, expressed in prayer and scripture, music and sacrament is central to who we are and what we do.

The PCC is also committed to and offers financial support to the local church school, St Mary's Primary School.

The Trustees keep in mind the Charity Commission's guidance on public benefit when planning the activities for the year.

Activities and performance

A wide range of services is offered during the week and throughout the year. All are welcome to attend our regular services. As well as our regular services at St Mary's, we enable our community to celebrate and thank God throughout their journey through life – at baptisms, weddings and funerals.

The last full revision of the Electoral Roll was completed in March 2013, when there were 387 parishioners of whom 39 were non-resident. The most recent update in November 2018 shows there are currently 406 parishioners on the electoral roll 53 of whom are not resident within the Parish. The next full revision of the Electoral Roll will be completed in 2019. The average usual Sunday attendance during 2018 at all churches was 234 adults and 27 children but this is considerably increased at festivals.

One faculty application to create under-pew storage in the north aisle was submitted in February 2018 and approved in March 2018.

Buildings Development Project

An amount of £9,500 was transferred from general fund surplus reserves during 2018. A further £114,195 was received during the year and total expenditure amounted to £207,454. See the Financial Review below for further details.

The WC and under-pew storage in the north aisle were completed in 2018. The next phase of the project is to relocate and restore the tomb of Thomas Audley and this will be followed by the refurbishment of the choir and clergy vestries.

Financial Review

The balance sheet for all funds shows a decrease of £82,511 from £877,331 to £794,820 at the end of 2018. Prior to unrealised losses on investments of £1,443, the net decrease for the year was £81,068. The decrease is mainly due to the cost of the Buildings Development works -a net outflow of £93,259. This is offset by an increase on the Fabric Fund which had a net inflow of £8,561 mainly due to rent from the Verger's Cottage.

The Buildings Development Fund income included a grant of £25,000, Gift Day donations of £49,193, VAT reclaimed of £35,620 and donations, interest & local fundraising of £4,374. Total expenditure of £207,454 included professional fees of £24,350. Once again, the continued generosity of parishioners through the stewardship schemes and local fundraising activities enables the PCC to continue planning with confidence.

The revaluation of investments at 31 December 2018 amounted to an unrealised loss of £1,443 (2017: unrealised gain of £7,863), whilst fixed assets were depreciated by £10,887 (2017: £10,887). A provision for fees of £3,700 (2017: £3,600) has been included in these accounts for the independent examination.

Contributions towards the Parish Share from St James Sewards End and St John's Little Walden amounted to £4,112 (2017: £4,072) and £3,297 (2017: £3,246) respectively.

The PCC reviews the activities of the parish and considers the major risks that may arise from time to time. The major risks identified in the process have been assessed and satisfactory systems established to mitigate the risks. The PCC will continue to review the risks on an on-going basis.

Investment Policy

The PCC's Policy is to place surplus working capital in interest bearing bank deposit accounts and the CBF Church of England Deposit Fund. Regarding longer term funds, including those to be held permanently (e.g. the endowment funds), the policy is to hold the funds in the CBF Church of England Investment Fund, which is managed by CCLA Investment Management Ltd. Investments are reviewed periodically by the Finance Committee.

Reserves Policy

The PCC's Policy, which is reviewed annually, is to maintain free cash reserves equivalent to 3 months of total budgeted expenditure (around £66,000 for 2019). The policy is to retain excess free reserves until required for material capital expenditure to be approved by the PCC. Total 'free reserves' at 31 December 2018, amounted to £73,918, which means an amount of £7,900 can be allocated to the Buildings Development Fund.

Grants (outward giving) Policy

The PCC supports a small number of charitable entities (both at home and overseas), including the local Church of England Primary School and the Vacation Bible School held annually in Saffron Walden. The policy is to give between 5 and 10% of planned giving. The amounts and recipients are reviewed annually.

In addition, special collections are held from time to time, to support, for example, DEC appeals.

Plans for the future

We are currently in the process of seeking faculty approval for the relocation and restoration of the tomb of Thomas Audley to make this significant historical feature more accessible to visitors.

Future phases of the project include the reordering of the choir and clergy vestries. Progress on these will depend upon our ability to raise the necessary funds.

We want St Mary's to flourish in its important role as the parish church for the town of Saffron Walden: to be at the heart of community life and to be an attractive place for visitors.

Structure, governance and management

The Parochial Church Council is a corporate body established by the Church of England. The PCC operates under the Parochial Church Council Powers Measure and is a Registered Charity. All PCC members are trustees. Representatives of the laity are elected by members of the electoral roll at the Annual Parochial Church Meeting for a 3 year term. Together with the clergy, churchwardens and co-opted members, they form the PCC.

The parish of Saffron Walden, which includes its daughter churches, St James Sewards End and St John Little Walden, is governed by the PCC, under the chairmanship of the Rector, Revd Canon David Tomlinson. The PCC members are responsible for making decisions on all matters of general concern and importance to the parish including decisions on how funds of the PCC are spent. Given its wide responsibilities, the PCC has a number of committees, each dealing with a particular aspect of parish life. These committees, for example, Worship, Children & Youth, Prayer, Property, Finance etc are all responsible to the PCC and report back to it regularly with minutes of their meetings being reviewed by the full PCC and discussed as necessary.

The PCC met six times during the year.

During the year the following served as members of the Church Council:

Clergy: Revd Canon David Tomlinson, Team Rector & Chairman

Revd Canon Jenny Tomlinson, Revd Paula Griffiths, Revd Richard Spencer.

Statement of Trustees' Responsibilities

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements.

Independent Examiner's Report to the Trustees For the year ended 31 December 2018

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 December 2018.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn. This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

Responsibilities and Basis of Report

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

Your attention is drawn to the fact that the financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn. I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no matters, other than those fully detailed below, have come to my attention in connection with the examination giving me reasonable cause to believe that in any material respect:

- 1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an Independent Examiner's Report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my work or for this report.

1 Accounting Policies

a) Basis of preparation of financial statements, reconciliation with previous Generally Accepted Accounting Practice and assessment of going concern -

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014, and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102), Church Accounting Regulations 2006 and the Charities Act 2011.

The PCC constitutes a public benefit entity as defined by FRS 102.

There were no significant estimates or judgements made by management in preparing these financial statements.

The Trustees have reviewed the financial position of the Charity and have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Accordingly, the financial statements continue to be prepared in the going concern basis.

b) Fund accounting -

General funds represent the funds of the PCC that are not subject to any restrictions regarding their use and are available for application on the general purposes of the PCC. Funds designated for a particular purpose by the PCC are also unrestricted.

Restricted funds represent resources received and allocated according to limitations on their use specified by donors or other providers.

Endowment fund capital is invested and the income arising expended in accordance with the terms of the endowment.

The accounts include all transactions, assets and liabilities for which the PCC is responsible. They do not include the accounts of church groups that owe their main affiliation to another body nor those that are informal gatherings of Church members

Further details of restricted and endowment funds are set out in note 8 to the accounts.

c) Income recognition -

Voluntary income and charitable activities

Income is recognised when the PCC has entitlement to the funds, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Collections are recognised when received by or on behalf of the PCC.

Planned giving receivable under gift aid is recognised only when received.

Income tax recoverable on covenants or gift aid donations is recognised when the income is recognised.

Grants to the PCC are accounted for as soon as the PCC is notified of its legal entitlement and the amount due.

Legacy income is recognised on a case by case basis following the grant of probate when the administrator/executor for the estate has communicated in writing both the amount and settlement date.

Income raised from fundraising events is accounted for gross and as being immaterial to the overall income level of the PCC is included within income from charitable activities.

Sales of books and magazines from the Church bookstall are accounted for gross.

Other ordinary income

Rental income from the letting of church premises is recognised when the rent is due.

1 Accounting Policies (continued)

Income from investments

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the PCC; this is normally upon notification of the interest paid or payable by the bank.

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Tax recoverable on such income is recognised on a fiscal year basis.

Gains and losses on investments

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (or purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later). Realised and unrealised gains and losses are combined in the Statement of Financial Activities.

d) Expenditure recognition -

All expenditure is accounted for on an accruals basis. Irrecoverable VAT is charged against the expenditure

Grants

Grants and donations are accounted for when paid over, or when awarded, if an award creates a binding obligation on the PCC.

Activities directly relating to the work of the church

Charitable activities include all costs that directly relate to the work of the Church, including running costs and costs of maintenance and repair. Support costs and governance costs are deemed to relate directly to the work of the Church.

The Parish share is accounted for when payable. Any share unpaid at 31 December is provided for in the accounts as an operational (though not a legal) liability and is shown as a creditor in the balance sheet.

Fundraising costs

Fundraising costs comprise the costs of running the fetes and sales held during the year.

e) Fixed Assets

Consecrated land and buildings and moveable church furnishings

Consecrated and beneficed property is excluded from the accounts by Section 10(2)(a) of the Charities Act 2011.

No value is placed on moveable church furnishings held by the church wardens on special trust for the PCC and which require a faculty for disposal since the PCC considers this to be inalienable property. All expenditure incurred during the year on consecrated or benefice buildings and moveable church furnishings, whether maintenance or improvement, is written off as expenditure in the SOFA and separately disclosed.

Other land and buildings

Freehold buildings, other than consecrated buildings, are depreciated on a straight line basis over fifty years.

The gross book value is based on an insurance valuation from 1 January 1997 as adjusted for subsequent additions at cost.

Other fixtures, fittings and office equipment

Equipment used within the church premises is depreciated on a straight line basis over four years. Individual items of equipment with a purchase price of £2,500 or less are written off when the asset is acquired.

Investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at 31 December using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

1 Accounting Policies (continued)

f) Current assets -

Debtors

Amounts owing to the PCC at 31 December in respect of fees, rents or other income are shown as debtors less provision for amounts that may prove uncollectable.

Cash at bank and short term deposits

Cash at bank and in hand includes cash held on deposit either with CBF Church of England Funds or at the bank as short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

g) Liabilities: amounts falling due within one year

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the PCC to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

h) Financial Instruments

The PCC only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

During the year the PCC employed a director of music and organist, youth worker, Rector's secretary, parish administrator, weddings coordinator and a verger, none of whom earned £60,000 or more. The average number of employees throughout the year was 6 (2017: 6), equating to a full time equivalent of 2.9 (2017: 2.9). The following members of the PCC were paid the following amounts during the year:

Mr O King, director of music (including employer pension £563, 2017: £552)	13,082	12,825
Mr M Williamson, youth worker (including employer pension £1,245, 2017: £1,057)	28,917	24,566

Apart from the above, no other PCC member received any remuneration reimbursement of expenses or other benefit.

The two members of the PCC who were paid a salary during the year were legally authorised to be paid under the Legal Advisory Commission's guidance "PCC: legal position of members" published in January 2013. Paragraph 22 confirms that there is no objection to someone who is already an employee of the PCC becoming one of its trustees. In the case of Mr King and Mr Williamson, they were both employees of the PCC before they were subsequently invited to become Trustees.

The PCC considers all trustees to be its key management personnel.

The Fabric Fund is restricted for expenditure on maintaining, redecorating, repairing and improving all the SWPCC properties - the church, the parish rooms (external fabric), the verger's cottage and the Curate's House.

The Restoration Fund is restricted for expenditure on the restoration of the fabric of the church.

The Buildings Development Fund was launched in late 2013 to finance the internal improvements to the church and parish rooms, identified in the statement of needs via the Buildings Development Project

As noted in the Trustees Annual Report, the PCC, at its meeting in March 2018, approved the following transfer to the Buildings Development Fund:

- £9,500 from St Mary's General Fund reserves
