## Lighting Project Consultation Feedback Document

The Project Working Group and the Parochial Church Council (PCC) greatly value your feedback so that they can move forward with confidence that the project is supported or stop and re-think if it is not. Please provide your feedback on the proposal to replace the lighting in St Mary's church using this form. Unanonymised feedback is preferable so that we can clarify comments made if needed. **Please return the completed form as a hard copy through the Parish Rooms Letterbox or by email to parishofficesaffronwalden@gmail.com by 5pm on Friday 3<sup>rd</sup> May.**

Following the various consultation meetings, the feedback will be collated and assessed and presented back to the PCC. If there is 60% in favour of progressing the project based on the concept design which we have shared, the Working Group will propose to the PCC that we progress the detailed design.
